Thereafter, said Board shall be comprised of said three (3) members or their successors. Nothing herein contained shall be construed as a diminution in McKINLEY's authority to appoint an initial Architectural Review Board to make all reviews and approvals as contemplated herein until the Association's Architectural Review Board assumes said duties pursuant to the terms hereof or until McKINLEY relinquishes authority as provided herein above or hereinafter.

B. All matters herein requiring the approval of McKINLEY or the Architectural Review Board by the terms of this instrument, shall be submitted to McKINLEY or Board in writing, accompanied by such specifications, details and other documents as are reasonably required by it to make a proper decision. McKINLEY and the Board shall approve or disapprove such written submission or application for approval, in writing within fourteen (14) days after its receipt of the same, and a failure by McKINLEY or the Architectural Review Board to so act within said fourteen (14) day period shall constitute approval of the submitted plans.

C. McKINLEY/ARCHITECTURAL REVIEW BOARD

McKINLEY will establish and appoint an initial Architectural Review Board (the Board), to serve until appointed by the Association, and McKINLEY relinquishes authority, for the following purposes:

- i. To provide a staff of persons for reviewing, evaluating, approving and disapproving proposed plans.
- ii. To establish, maintain and preserve specific architectural guidelines and standards to carry out the intent of these Restrictions, which guidelines and standards from time to time in effect with respect to all or any portion of the Property shall hereinafter be referred to as the "Architectural Guidelines."

Requirements of Plan Approval: No improvement, change, construction, addition, excavation, landscaping, tree removal, or other work or action which in any way alters the exterior appearance of the Development from its theretofore natural or improved state (and no change,

alteration or other modification of any of the foregoing previously approved hereunder), shall be commenced or continued until the same shall have first been approved in writing by the Board in accordance with Saint James Place Architectural Guidelines. viii. Parking areas;

ix. Complete exterior color scheme & color samples.

x. Samples of all major materials to be used.

xi. Such other information, data, drawings as may be reasonably requested by the Committee.

Specifications shall describe types of construction and exterior materials to be used.

D. Basis of Approval: Approval shall be based, among other things, upon conformity and harmony of the proposed plans with Saint James Place Architectural Guidelines and other structures in Saint James Place; the effect of the location and use of Improvements on neighboring property; and conformity of the plans and specifications to the purpose and general intent of these Restrictions.

E. Liability Relating to Approvals: Neither McKINLEY, the Board, nor any member thereof, nor any of their respective heirs, personal representatives, successors or assigns, shall be liable to anyone submitting plans for approval by reason of mistakes in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve any plans. Every person and entity who submits plans to the Board agrees, by submission of such plans, that he or it will not bring any action or suit against the Board or McKINLEY in law or equity or to recover any damages.

F. Requirement for Approval: Owner or his representative shall submit simultaneously with building drawings for approval, a completed copy of the checklist attached; Labeled "Application for Review", checklist indicating compliance or non-compliance with the building restrictions as listed, and shall furnish reasons for non-compliance on a separate page. This is intended to reduce delays and expedite approval.

B. Residential lots purchased, but on which construction has not commenced, must be mowed not less than once every thirty days during the growing season.

Q. Materials, Details & Directions: Building Materials: All materials used (roofs, walls, etc.) should be compatible with each other and blend together with a common tone. Accent colors are acceptable if used carefully to add detail and highlight architectural features. The following materials are acceptable for use at Saint James Place:

i. Wood Siding: Four and eight inch clapboard, rough or smooth finish; channel rustic boards; v-joint tongue and groove boards; vertical board and batten; wood shingles; all with semi transparent stains are recommended. Paint is allowed, but does require more maintenance than stain and is not considered as desirable as stain.

ii. Vinyl or Aluminum Siding: Permitted.

iii. Brick: Natural sand molded brick is preferred. "Manufactured" sand mold and textured brick may also be used. Color ranges should be subtle with no dark brown, speckled or glazed brick permitted. Brick detail in chimneys, sills, entry steps and foundations are encouraged. Exposed single depth of brick or stone at building corners is not allowed.

iv. Stone: Natural stone laid in a natural horizontal bed is preferred. Rubble and roughly squared stone is felt to be aesthetically more pleasing because of its natural quality than square cut dimensional or ashlar stone. Native Ohio limestone in gray or buff is recommended over more exotic stone.

v. Stucco: Natural, hand finished, or sand textured are the preferred finishes; scratches, splashes and artificial textures are discouraged. Stucco colors must blend with other colors. White stucco is discouraged.

vi. Other Materials: Use of other man made materials is permitted if they are painted to blend with other natural materials. The use of wrought iron and other decorative ornamentation must be approved by the Architectural Review Board.

R. Facades: All sides of the residence should be finished with the same materials, or with compatible materials that blend with one another. S. Windows: Windows should be carefully selected and proportioned to enhance walls in which they are placed. Windows are required on all major walls including walls

facing side yards. All windows to be wood or vinyl clad wood. The same window type must be used on all sides of the home. Muntins should only be used in traditional homes.

T. Chimney: Brick or stone masonry exterior construction is required. Designs will be considered and must be approved by the Architectural Review Board.

U. Sidewalks: The owners or their assigns shall, within three (3) months of occupancy of their residences, construct on said lot a sidewalk which shall be four feet (4') wide, four inches (4") deep, constructed of concrete (six sack limestone mix) and meet the specifications of Stark County and shall span the width of the lot and connect with the sidewalk constructed on adjoining lots on each side of the premises.

7. STREETLIGHTS

McKINLEY Development Company shall provide street lights. The cost of operation and maintenance of the lights shall be shared equally by lot owners and such costs shall be assessed as provided in Paragraph 10, Assessments.

8. RESERVATIONS, EASEMENTS AND COMMON AREA

A. McKINLEY reserves to itself and its successors and assigns, the right to petition for or grant future easement or rights of way for the construction, maintenance, extension and operation of all public or private utility facilities in or upon all highways and streets, now and existing or hereafter established, upon which any portion of this subdivision may now or hereafter front or abut. The owners of any and all lots of this subdivision agree to and do hereby consent to and affirm all such agreements that may be entered into between McKINLEY and public or private utility companies, entities or authorities.

B. McKINLEY or the Association reserve to themselves the right to relocate utility easements in accordance with the requirement of the Stark County Engineer, the Township of Lake, or as necessary for the orderly development of the Subdivision or the Development.

C. McKINLEY reserves the right for itself, its agents, employees, successors and assigns to enter upon any lot for the purpose of carrying out and completing the development of the property, including but not limited to the completion of any dredging, filling, grading or installation of drainage facilities. Entry onto said property for such purposes shall not be deemed a trespass.

D. McKINLEY intends to convey to the Association, subsequent to the recordation of "The Restrictions", an area around the entrance signs, and boulevard entrances to the

subdivisions. Upon designation by McKINLEY of any part of the Development owned by it as Common Area, McKINLEY shall cause a plat, showing those areas so designated, or a declaration stating that such land has been so designated, or both, to be recorded among the records of the Recorder of Stark County. No part of the Development shall be Common Area subject to the rights and easements of enjoyment and privileges hereinafter granted unless and until the same shall have been so designated and the above described plat or declaration filed in accordance with the foregoing procedures. Common Area shall remain such in perpetuity, subject only to the provisions of Paragraph A hereof.

E. Authority to Convey Common Area: Notwithstanding the rights, easements and privileges granted hereunder, the Association shall nevertheless have the power and authority to convey or dedicate any property or easement or right of way over the Common Area free and clear of all such rights, easements and privileges if such conveyance or dedication is for use as a public roadway or pedestrian walkway, or to a public or private utility for the installation, operation and maintenance of utility services. Any other conveyance or dedication of Common Area shall be made only for a public purpose and, if made for a purpose other than those specified in the immediately preceding sentence of this Paragraph, only by an affirmative vote of at least two-thirds of the voting members of the Association represented in person or by proxy entitled to vote at a meeting (annual or special) called for such purpose.

F. Authority to Borrow Funds: The Association shall have the power and authority to borrow money for the purpose of improving the Common Area and in aid thereof, to mortgage the same, and the rights of any such mortgages shall be superior to the easements and privileges herein granted and assured.

9. LIMITS, MODIFICATIONS AND ENFORCEABILITY

A. McKINLEY reserves for itself, its successors and assigns, the right to amend, change, cancel or add to any or all of the aforementioned provisions when it deems such course of action advisable; provided, however, that no amendment, change, cancellation or addition shall be made unless an appropriate instrument signed by owners of two thirds of the lots within Saint James Place agreeing to such amendment, change cancellation or addition. The restrictions contained herein shall be deemed as covenants running with the land, not part of the property herein described and all persons claiming-under them.

B. If by reason of the shape, dimension, or topography, of any lot or for any other reason satisfactory to McKINLEY, the enforcement of the provision of these restrictions would work a hardship, McKINLEY may modify such provisions. Such modification shall be granted by McKINLEY if such modification will not do material damage to any adjacent lot or property. Requests for modifications must be submitted to McKINLEY in writing with the sufficient plans, specifications, and evidence required or requested by McKINLEY to render a modification. Construction or improvement shall not commence until written approval is granted by McKINLEY.

C. The provisions herein shall run in favor of and shall be enforceable by any person or entity, and the heirs, assigns and successors for such person or entity, who is or becomes an owner of any lot in this subdivision as well as McKINLEY, its successors or assigns. It is understood and agreed that all of the foregoing are part of a common and general plan for the development of this subdivision and the protection of all present and future owners of any part of the subdivision. Failure of McKINLEY to enforce any of the restrictions contained herein, shall in no event be construed to be in any manner a waiver of, acquiescence in, or consent to a further or succeeding violation of these restrictions. However, the failure, refusal or neglect of McKINLEY, its successors or assigns to enforce said restrictions or to prevent violations thereof shall in no event make McKINLEY, its successors or assigns liable for such failure, refusal or neglect.

10. ASSESSMENTS

A. All lot owners shall be required to be members of the Association and shall be bound by all the rules and regulations that may be established by its governing body.

B. For the purposes of providing funds for the operation, administration, development, maintenance and upkeep of the Common Areas, the subdivision entrance walls and signs, and fences, constructed by the Developer, along the exterior of the development, the Association shall fix and assess a yearly assessment against each lot owner in the Development. In making each assessment, the Association shall allocate a fair pro-rated share to each of the subdivisions within the Development. The annual assessment for each of the subdivisions of the Development shall be divided equally among and be assessed equally against each lot or proposed lot within the particular subdivision.

C. As soon as practicable in each year, the Association shall send a written statement to each lot owner which sets forth the amount of the annual assessment and stating the terms

of the total sum due and owing. The annual assessment may be billed, however, in annual, semi-annual, quarterly or monthly installments, as the Association shall in its sole discretion determine, and shall be due within ten days of receipt.

11. INTERPRETATION AND SEVERABILITY

In case of uncertainty as to the meaning of any article, paragraph, sentence, clause, phrase or word in these Restrictions, the interpretation by McKINLEY or the Association shall be final and conclusive upon all interested parties. Further, determination by any appropriate authority or court that any paragraph or provision of "The Restrictions" is invalid or unenforceable shall in no way limit or restrict the validity and enforceability of any other paragraph or provision.

12. PERIOD OF DURATION

These Restrictions, and the charges and liens provided for herein, shall be deemed to run with the land; shall continue in full force and effect for a period of thirty-five (35) years from the date hereof, and shall be automatically reinstated for a like period unless written objection is theretofore declared and filed by the Association or by McKINLEY with Recorder of Stark County, Ohio.

13. CONSTRUCTIVE NOTICE AND ACCEPTANCE

Every person who now or hereafter owns or acquires any rights, title or estate in any portion of the Development is and shall be conclusively deemed to have consented and agreed to every covenant, condition and restriction contained herein whether or not a reference to these Restrictions is contained in the instrument by which such person acquired an interest in said Development.

14. RIGHTS OF MORTGAGE

All provisions of these Restrictions, including the provisions hereof respecting liens and charges against the Development, shall be deemed subject and subordinate to the lien of all recorded first mortgages and mortgage deeds on or for the Development securing a debt, now or hereafter executed, and none of these Restrictions shall supersede or in any way reduce the security or affect the validity of such lien or mortgage or deed to secure such debt; provided, however, that if any portion of said Development is sold or conveyed under a foreclosure or other enforcement of any mortgage or under the provisions of any deed to secure debt, any grantee or purchaser at such sale, and his heirs, personal representatives, successors and assigns, shall hold any and all property so conveyed or purchased, subject to all the covenants, conditions, restrictions and liens, and other provisions of these Restrictions.

15. MUTUALITY

All restrictions, conditions and covenants contained herein are made for the direct mutual and reciprocal benefit of McKINLEY, the Association, and the Grantees and their successors and assigns; these Restrictions shall create mutual equitable servitudes upon the Development in favor of other real property in the Development; these Restrictions shall create reciprocal rights and obligations between the respective owners of all such property and privity of contract and estate between all Grantees thereof; and these Restrictions shall, as to the Owner of any such property, his heirs, personal representatives, successors and assigns operate as covenants running with the land for the benefit of all such property and the Owners thereof.

16. McKINLEY ACTING AS ASSOCIATION OR BOARD

Until such time as all the lots in Saint James Place have been sold to individuals or entities other than McKINLEY, or an entity controlled by McKINLEY, or at such earlier time as McKINLEY may elect, McKINLEY may, in its discretion, exercise all rights granted herein to the Association or the Architectural Review Board.
